

MARKET WEIGHTON DRAINAGE BOARD
LAND DRAINAGE ACT 1991

APPLICATION FOR THE BOARD'S CONSENT TO WORKS AFFECTING A WATERCOURSE

NOTE: Consent is required for the erection, construction or alteration of any of the following works:

- A.** A mill dam, weir or other like obstruction to the flow in any watercourse.
- B.** A culvert that would be likely to affect the flow in any watercourse.
- C.** Any other structure, in, over or under a watercourse.
- D.** Any structure or building on or near the bank of a watercourse.

Applicant:.....

Watercourse: **National Grid Reference:**

Plan Reference: (plans and sections must be submitted with this application indicating site, layout, construction details, main dimensions etc.)

Purpose or proposed works:
.....
.....
.....

Type of Structure: (e.g. mill dam, weir, pipe culvert, box culvert, bridge, drainage outfall, sluice, pipe crossing, retaining wall, slipway, stepping stones, boat moorings etc.)

Form of construction: (e.g. mass concrete, reinforced concrete, steel, brick, etc.)

SPECIAL DETAILS FOR DAMS AND WEIRS

Width of crest:

Height of crest above bed of watercourse:

Average bed gradient of watercourse (if known):

Catchment area upstream of weir (if known):

SPECIAL DETAILS FOR CULVERTS

Internal dimension: **Length:**

Gradient:

Catchment area upstream of culvert (if known):

continued over

Do the works include whatever is necessary to maintain an adequate waterway during construction?

.....

..... (The details submitted must indicate any temporary dam or cofferdam or any temporary culvert, channel diversion etc., which is required to maintain flow in the watercourse during the construction period).

Do the works include full reinstatement of the bed and banks of the watercourse?

.....

..... (The details submitted must indicate the profiles etc of final reinstatement)

Would the works affect any land which is not in the applicant's ownership and occupation?

.....

..... (If so, please attach the name and address of any person whose approval has been obtained in respect of such land)

Will the works comply with the specification in leaflet MW/1 and include whatever is necessary for such compliance?

I apply for the Board's consent to carry out the works described above after first giving the Board, at the address below, seven days notice of the proposed date of commencement and on the understanding that the works will be completed within **(not exceeding 12)** months after that date without the omission of any part of the works.

I accept full responsibility for the design and construction of the works and I fully understand that the Board will be under no liability for any loss or damage which may arise out of their design construction, maintenance or use.

Signed: **Date:**
